

CUSHION SOLUTIONS

- Anti-slip & waterproof seat cushion made of multi-density foams resting on a firm base for an optimal dispersion of the pelvic pressure zones
- A unique combination of fabrics creates a true anti-slip effect
- It helps retain the proper position of the pelvis and to maintain the desired alignment of the spine
- Outer & inner layers of waterproof barrier for added protection
- Available in Child & Adult configurations with 18 dimensions
- Compatible with postural backrests : FLEXUS, BACKUS & CURVUS
- Hand washable cover
